7. Traffic at the superior provincial court (Oberlandesgericht) had greatly decreased. Elements of the headquarters had apparently left the building. The personnel remaining was estimated at about 100. Sentries wore black-bordered red epaulets.
8. The hospital appeared to be unoccupied, and no activity was observed. \*

25X1A  Comment. The report indicates that the majority of the troops in Naumburg namely the Hq XXIX Gds Mtz Rifle Corps with headquarters units, and elements of the 57th Gds Mtz Rifle Div. left for maneuvers. Other reports and the 

25X1C  analysis indicate that headquarters units of the XXIX Gds Mtz Rifle Corps and component units of the 57th Gds Mtz Rifle Div began leaving by rail toward Gotha and Eisenach to either the Ohrdruf or Kindel troop training grounds in mid-April 1950.  In 1949 the 57th Gds Mtz Rifle Div held its summer maneuvers at the Kindel troops training grounds.
